This service includes a sitter from 5-7 p.m. to 8-10 a.m. Includes two evening walks (one upon arrival and one evening walk) & one morning walk. A midday walk would be considered an additional walk. However, if the sitter leaves the house later by choice, it will be included at no additional charge. All-day housesitting is not available unless by special request.

We know that administering medications to your furry friends is not always an easy task. That's why we ask you let us know how you think your animal will behave. If you are not sure, we can do a trial run with you present first. Your pet needs medications first and foremost, and our sitters need to protect themselves and your pet from harm.

If your animal needs more advanced assistance, we will let you know and will direct you to other options or services that are available to you. Please don't hesitate to give us a call to discuss your special needs.
